Message From Glenn Brewer, Director

Thank you all for being patient with us while we have been working on the parking lot. We will be finishing with the resurfacing and re-striping hopefully at the end of this week and will probably need to get a few of you to move your cars again. Traffic will be diverted to the back of the building for a few days while everything dries. We will also be painting the back patio so we will have it roped off soon. Thanks, Glenn
