Message From Glenn Brewer, Director

Thank you to the 37 residents who participated in our meeting about menus and meals. We had a really great and productive meeting and you all gave some great input and ideas. The changes will be implemented on the May menu and we will be bringing back items you requested such as Breakfast for Dinner once a month. This will continue to be a work in progress so please feel free to share ideas and recipes with us. Thank you also for the kind words you shared about the staff! They try hard to please.
