## Message From Glenn Brewer, Director

We have now got a new fire alarm system and you will notice that we are going to post signs Directing residents towards the closet exit points. The fire department is going to assist us with education and drills on the proper procedures for evacuating during a fire drill and in the event of fire. Everyone will need to attend these meetings and sign off that you were present. Thank you in advance and we will let you know when they are going to be held. Thank you all and Happy March!
